

Terms

Effective Date: January 1, 2017

As stated on our website on the Subscriptions Page, you may cancel a subscription at any time, but NO REFUNDS are given.

Cancel a Subscription

You may cancel a subscription at any time. Please notify us via email. Send email to: markl@predictivefutures.com.

Cancel Trading

You may cancel trading of your account at any time. Notify your broker immediately for any and all changes you desire to the trading of your account. If you wish our help with knowing how to notify your broker, please send us an email requesting assistance to: markl@predictivefutures.com.

Exchanging your subscription

You may decide to change your subscription from trading one or more systems or portfolios to another system(s) or portfolio(s) at any time. Please notify us in writing by sending us an email to: markl@predictivefutures.com. Also, please notify your broker immediately to make any and all changes to your subscriptions and trading directions.

Refunds

You may cancel a subscription at any time. You may exchange your subscription from one to another at any time. You may put on hold any unused subscription credits to be used when you are ready to activate your subscription or a new subscription within a period not-to-exceed one year from the date of canceling or putting on hold your subscription. You may pay your subscription monthly, quarterly, or semi-annually, but NO REFUNDS are given once your subscription has been activated.

Adjustments

IF a mistake has been made by us in processing your subscription payment (initial subscription or renewal of your subscription), or in understanding or communicating the details of your subscription, whether you paid your subscription via check or credit card, we will do all we reasonably can do to correct the situation, including a refund, if reported to us by you, and correction request is received, within 21 days of your payment. If you report any such mistake beyond this 21-day period, we will correct the situation, as best possible, as per above, however NO REFUND will be given.
